

RBA Star Students

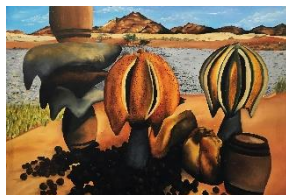

ROSL presents an exhibition developed with the Arts Society and the Royal Society of British Artists (RBA). The artwork presented have been selected as the top entries from the RBA Star Students competition which encourages aspiring young artists. These artists are initially identified and entered by The Arts Society's local Societies and then selects the very best pieces for exhibition at ROSL.

This year 41 final works were chosen from over 200 entries for their exceptional artworks to be exhibited at ROSL demonstrating the highest levels of skill, expression and draughtsmanship using a variety of mediums, exploring equally varied subjects.

Royal Over-Seas League, Park Place, St James's Street, London SW1A 1LR
