# — CIGAR MENU —

## MONTECRISTO NO. 4 —

Simply the most popular individual handmade cigar in the world. Its rich, tangy, medium to full flavour acts as the benchmark for most smokers embarking on the journey to find their preferred Habano.

## — MONTECRISTO PETIT NO.2

Montecristo is created by the perfect mix of strength and flavour in the leaves that are selected from the world renowned Vuelta Abajo region. Its unique blend creates a medium to full flavoured experience that is ideal for the novice or aficionado alike.

## PARTAGAS SERIE D NO. 4 —

A Partagas is immediately recognisable by its deep, earthy flavour. The character of its blend springs from a selection of filler and binder tobaccos grown in the Vuelta Abajo zone and chosen for their unmistakable richness of flavour and aroma.

## — HOYO DE MONTERREY PETIT ROBUSTO

A little warmer, and slightly less sweet than it's big brother, the Petit Robusto throws you in the deep end for all the right reasons, bringing the fuller leather backing to the forefront of the profile immediately, before easing you into it's delicious toasty finish.

## COHIBA SIGLO I —

Modest in stature yet rewarding in taste, the Siglo I fits perfectly before a meal. A creamy sweetness to begin with, following with beany mocha flavours and a medium tobacco taste.

## — ROMEO Y JULIETA WIDE CHURCHILLS

Launched in 2010, it sets the standard for heavy gauged, medium bodied smokes across the board. Delightfully toasty despite it's thickness, with a subtle dry tannin and mineral to begin with, the cigar's intensely leathery note remains present throughout.

## ROMEO Y JULIETA PURITOS AUS —

Romeo y Julieta is one of the leading cigar factories in Cuba and the gold coins in the branding are instantly recognisable worldwide. The puritos size gives you that extra smoking time that for longer breaks and the medium strength of the Romeo Julieta tobacco makes them an ideal daytime smoke.
